I beg to acknowledge the receipt of your letter of the 3rd ultimo, Files 81808 and 44893, informing the Department of the institution of cancellation proceedings against the homestead and pre-emption entries of Mr. Samuel Nye, and in reply I am to say that in such notice you described the land as being the west half of Section 3, Township 34, Range 5, West of the 4th Meridian. This is a mistake as Mr. Nye's homestead is the North West Quarter of Section 4, Township 34, Range 5, West of the 4th Meridian, and his pre-emption is the South East quarter of Section 9, Township 34, Range 5, West of the 4th Meridian. OTTAWA, [illegible] June, 19[illegible].

Memorandum -

Request for Title under Order in Council of the 4th June, 1931, where duties completed by soldier settler.

Re. Alexander Watt,
N.W.¼ [illegible]-1-W.2th M. (S.S.)

The above-described land is the unpatented soldier grant of this settler.

The settler has obtained advances from the Board totalling $[illegible], as follows: stock and equipment, $[illegible]; permanent improvements, $[illegible]. As security the Board holds a charge on the settler's soldier grant. The only other land security held by the Board in this case is a charge on the settler's homestead, the S.W.¼ [illegible]-W. 2th M.

The Board is informed that the settler has completed the duties in connection with his soldier grant and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Acting Commissioner of Dominion Lands, Department of the Interior, to the settler dated the 1st May, 19[illegible].

The regulations approved by the Governor in Council on the 4th June, 1931, P.C. 1031, enable the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented Dominion Land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land in question be vested to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for its advances started, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of the settler in the S.W. [illegible]-W. 2th Meridian be vested in the Soldier Settlement Board.

A Vesting Order for the Minister's signature is enclosed herein.

The Honourable Charles Stewart,
Minister of the Interior,
OTTAWA.

S.S.B. File No. 4-1766.

Ottawa - 16th July, 1921.

THE HONOURABLE CHARLES STEWART,
Minister of the Interior,
O t t a w a.

MEMORANDUM:

Request for Transfer of Dominion Lands.

Re: John Tindell, Reg.No. 437919
S.W.¼ 3-27-3-W.5th.M. - S.G.

The above named settler secured advances from the Board for permanent improvements and stock and equipment totalling $2500, the Board taking a charge upon his unpatented soldier grant above described. Owing to such charge, patent to the soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Tindell requesting that patent to his soldier grant should be issued in favour of the Board. Mr. Tindell states that he has completed all duties in connection with his soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the memorandum from the Deputy Commissioner of Dominion Lands to the Board, dated the 3rd instant, copy of which is attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board, as approved by the Governor in Council on the 4th day of June, 1921 (P.C.1041) which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board merely requests that the right, title and interest of His Majesty in the S.W.¼ of 3-27-3-W.5th.M. be vested in the Soldier Settlement Board. The Vesting Order awaiting issue is attached hereto for the Minister's signature.

Respectfully submitted,

Request for Transfer of Quarter land under Section 27 of the Soldier Settlement Act.

Re: J. W. McNaughton,
N.W.¼ 1-5-17 W.5th M. (P.S.)

The above-described land was secured by this settler under soldier grant entry. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been rescinded.

The settler was established with a loan in October, 1929, and in due course secured advances from the Board amounting to $1200.00, as follows: stock and equipment, $900.00; special advances, $282.09. As security the Board holds a charge on the settler's soldier grant. There is no other land security held by the Board in this case.

In June, 192_, the Field Supervisor reported that the settler had informed him that he was unable to get steady work and had been put to heavy expense through the illness of his wife. The settler was communicated with on several occasions during 1927 but failed to make any arrangements to place his loan in good standing. In November of that year the Field Supervisor reported that the settler was not living on his farm but had moved to Edson where he was employed as a carpenter. Adjustment proceedings were instituted on the 1st June 1928, and a Thirty Day Notice was addressed to the settler on the 28th of that month. No defence was filed by the settler.

The settler's indebtedness to the Board amounts to $1203.95. In addition there are arrears of taxes amounting to approximately $400.00. We have no recent appraisal of the soldier grant. It is valued by our Field Supervisor, however, at $1000.00. No arrangements have been made for the disposal of this land and no offers have been received.

The land in question being charged land within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the said land be forfeited and the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said charged land be vested in the Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Soldier Settlement Act, as all of the advances referred to in the second paragraph hereof were made to the settler after the date of entry for his soldier grant.

A Vesting Order for signature is attached hereto.

Dear Sir:-

Re: Estate of Paul KOZAK,
your file 2744.

I have your letter of the 4th June, relative to your enquiry as to the age and nationality of the above named who applied for entry for the N.E. 16-36-21-W-4th Meridian, Province of Alberta.

In reply, I wish to inform you that the last entry we had for this land was made by one Charles Marc and was cancelled on the 28th April 1922. In the circumstances, it is quite probable that Paul Kozak applied to the Provincial Authorities for entry, such being the case, Mr. V.A. Wood, Director of Lands Department of Lands and Forests, Edmonton, may be of some assistance.

We have a record of one Paul Kozak having applied for entry for the N.E. 22-27-2-W-1-M, file No. 5440483 was forwarded on the 16th July, 1948, Carton No. 15, to R.W. Cyles, Director of Lands, Department of Mines and Natural Resources, Winnipeg, Manitoba, and also for one Paul J. Kozak having applied for entry for the N.W. 15-76-2-W-6th Meridian file 5516193 was forwarded to the Director of Lands, Edmonton.

I am enclosing the form letter which accompanied your communication.

Yours very truly,

Agency File No. 81890.

I am to acknowledge your letter of the 30th November last and in reply to say the homestead entry of Thomas Harmon for the quarter-section above mentioned was cancelled in accordance with his declaration of abandonment by Head Office letter of the 17th March last, for the express purpose of locating Halfbreed Scrip. Presumably you received a copy of this letter, which will be your authority for taking similar action with regard to your records.

Having exhausted his right of homestead entry by virtue of the location of Halfbreed Scrip on the East half of the quarter-section, Mr. Harmon has no further interest in the West half, and under the circumstances the land may be disposed of as instructed in my letter of the 22nd ultimo.

I might mention for your information that the failure of Mr. Harmon to locate Scrip on no more than eighty acres of the quarter-section is no reason why the balance of the quarter should be reserved for his benefit as a limited time was set for the location of Scrip. Please take the necessary action accordingly.

Dear Sir:

Re: S.E. 13-27-5-W4

This Department has an old account against the above noted land for advances of seed grain to Cecil Moore in 1919 and 1922. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

Re: Account of Cecil Moore
S.E. 13-27-5-W4

The matter of an application for an adjustment of indebtedness existing against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919 and 1922 seed grain amounting to $201.00 was advanced to Cecil Moore on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 201.00	$ 442.84	$ 643.84

The S.E. 13-27-5-W4 was formerly the patented homestead on which security the debtor obtained advances of seed grain in 1919 and 1920.

In reply to our questionaire of the 26th of May 1952, J.M. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"Title to this land is presently vested in this department having been acquired through proceedings under the Tax Recovery Act. This land is occupied at present under long term grazing lease and in view of its location in that part of the province designated Special Areas there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.
